SOUTH CAROLINA
DOCKET NO. 2000-189-E – ORDER NO. 2007-327

MAY 17, 2007

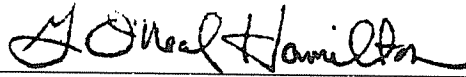

IN RE:	Application of Duke Energy Carolinas, LLC)	ORDER APPROVING
	for Approval of the Curtailable Service Pilot)	CANCELLATION OF
	Program.)	PILOT PROGRAM

This matter comes before the Public Service Commission of South Carolina (“the Commission”) on the request of Duke Energy Carolinas, LLC (“Duke” or “the Company”) for approval to cancel its Curtailable Service Pilot Rider CS (SC), a pilot program. Duke notes that this program was approved in Commission Order No. 2000-394. The pilot provided an opportunity to evaluate customer acceptance of the program, which allowed participating customers to commit to curtail load on a monthly basis. The maximum number of participants in the Curtailable Service program was 16 customers in August 2000. Since that time, participation has steadily declined. No customers have made commitments to curtail load in response to solicitations under Rider CS since March 2005. Accordingly, Duke requests approval to cancel this pilot program, effective upon Commission Order.

We have examined this matter and hold that, since customer participation in the program has steadily declined to the point where there are no customers in the program, approval is granted to cancel this pilot program, effective on the date of this Order.

This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

G. O'Neal Hamilton, Chairman
